

US Tax Deed Solutions Announces Strategic Expansion into Texas and North Carolina, Broadening Its Reach to 14 States

Tampa, FL – June 17, 2024 – In a significant move to extend its specialized tax deed certification services across the United States, US Tax Deed Solutions (USTDS) is proud to announce its expansion into Texas and North Carolina. This strategic growth enhances USTDS's presence to a total of 14 states, marking a milestone in the company's mission to provide fast, efficient, and cost-effective solutions for tax deed investors nationwide.

USTDS, known for its dependable approach to simplifying the tax deed certification process, reduces the need for a Quiet Title Action (QTA), saving clients time and substantial costs. By extending services to Texas and North Carolina, USTDS is responding to the increasing demand for reliable and rapid tax deed certification in these key markets.

“The expansion into Texas and North Carolina represents a significant step forward in our commitment to serving more tax deed investors across the country,” said Tom Paschen, President of US Tax Deed Solutions. “We are excited to bring our expertise and specialized services to these states, providing investors with the tools they need to secure their investments quickly and efficiently.”

Brenda Flatter, Executive Director, adds, “The voices and needs of our valued clients greatly influenced the decision to expand to these states next. This expansion is a testament to our commitment to providing our clients with the support they need to thrive in their investment endeavors. It’s a proud moment for us, knowing we are growing together with our clients, in response to their trust and reliance on our services.”

The addition of Texas and North Carolina to USTDS's service area is part of the company's ongoing effort to enhance the accessibility and reliability of tax deed investments. By streamlining the certification process, USTDS empowers investors to protect their assets with confidence and ease.
